

PUT THESE AUTUMN EVENTS IN YOUR DIARY

TWO RIVERS WALK - Kennett & Cumberland Rivers

Saturday March 16

Meet at Aireys Inlet Community Hall at 9.30 am to car pool

Contact: Alison Watson 0400 570 229

This is a chance to explore and compare the river valleys of Kennett and Cumberland Rivers. According to the new interpretive signs at Kennett River there is a chance to see Rakali if we walk quietly.

The Cumberland River track with dramatic cliffs where the Peregrine Falcons nest, leads to Jebb's Pool - we can cool off if the weather is warm. Both walks are gentle and easy, though they might include some rock hopping. Bring morning tea and lunch. Wear appropriate clothing for the weather and sturdy footwear.

ANGLESEA HEATH WALK - Red River Track/Denham Track

Saturday April 20

5.5km easy walk

Meet at ANGAIR at 9.30am.

Contact: Margaret MacDonald 0412 652 419

A joint walk with ANGAIR celebrating their 50th anniversary.

In April 1996 ANGAIR introduced 'Get To Know Your Tracks'. The first walk took place on Denham Track, so we have included part of it in our walk.

Red River Track, the first section of about 2km, is named for the red peat that was a feature of the landscape after the 1983 bushfire.

Denham Track leads us to No2 Rd and walking on the roadside verge for about 2.5km we make our way back to the start at Red River Track. Bring morning tea and lunch and wear appropriate clothing and footwear.

The two tracks wind through heathy woodland with wonderful Otways views.

ENVIRONMENTAL WEEDING

Autumn Program - Anglesea Heathlands

Tuesdays March 12, April 9, May 14.

Contact Margaret MacDonald 0412 652 419

Meet in O'Donohue Rd near 5th Avenue.
